Historic CAMERA COLLECTOR CLUB

<http://www.HistoricCamera.com>

The Ultimate Resource for Antique Camera and Photography Collectors

The Historic Camera Collectors Club is an international club established to help camera collectors, photograph collectors, and photography historians meet and share common interest via the internet, through the exchange of communications and the archiving of information about photography history and collecting. The club provides various information resources via email and website features to assist members in research and sharing of information and collections.

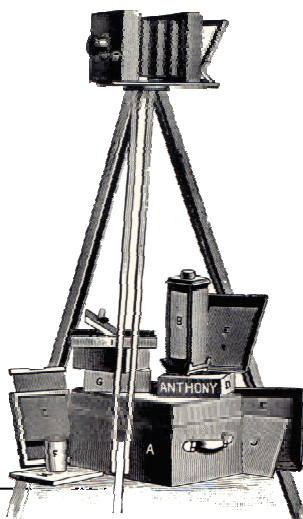

Associate Membership includes :

- Personal Member Home Page:
- Personal Photo Gallery to Display your Collection
- Classified Ads to sell or trade your collectables
- Quarterly News Letters with relevant articles
- Significant E-Books on History of Photography
- Meeting/ Chat and chat room
- Calendar of Photographic events:
- Photography only Search Engine Directory
- Historical and Reference Information
- Appraisals for your collectables
- Shop At the HCCC store

PLUS MUCH MORE!
